

LITLEDALE ACTIVITY CENTRE

SHOOTING.

Our purpose built air rifle range is situated in the end bay of the barn. There are four targets, allowing for a maximum of 12 participants for each hour long session. Your session includes targets, pellets and a fully qualified N.S.R.A. instructor.

ARCHERY.

The archery range is located in the bowl, at the far end of the site. There are two foam butts, allowing for four archers at a time, giving a maximum of 12 participants for each hour long session. Your session includes instruction from a qualified archery instructor.

BOULDERING.

Our bouldering wall is located in the wheel pit, in front of the toilet block. This activity requires no qualified instructors, but we insist that you only allow children to use it under adult supervision. You have unlimited use of this activity for the duration of your stay with us.

To book any of these activities, please fill in the attached booking form and return to the address shown. These activities can be used in the evenings, as well as at weekends, making for great pack, troop or unit nights.
