

### **CREST OF A WAVE**

We're riding along on the crest of a wave

And the sun is in the sky

All our eyes on the distant horizon

Look out for passers by

We'll do the hailing

While all the ships they are a sailing

We're riding along on the crest of a wave

And the world is ours

### **ACTIONS**

**RIDING** – like riding a horse

**CREST OF A WAVE** – Hands up and down like waves on the sea

**SUN** – point to the sky

**ALL OUR EYES** – point to eyes

**DISTANT HORIZON** – hand over eyes looking yonder

**LOOK OUT FOR** – first finger pointing

**WE'LL DO THE HAILING** – both hands around the mouth as if shouting

**WHILE ALL THE SHIPS** – make a shape of a ship with hands

**THEY ARE A SAILING** – (like wave above)

**WE'RE RIDING**- same as riding above

**CREST OF A WAVE** – same as wave above

**AND THE WORLD** – make world shape (round) with hands

**IS OURS** – Both hands point inwards to chest

When I wake up, well I know I'm gonna be,  
I'm gonna be the one who's Scouting through the day.  
When I go out, yeah I know I'm gonna be,  
I'm gonna be the one who's wearing lovely khaki.  
If we're camping, well I know I'm gonna be  
I'm gonna be the one who gets an hour's sleep.  
And if I shake hands, yeah I know I'm gonna be  
I'm gonna be the one who uses my left hand.

### **Chorus**

But I would do a ten-mile hike  
And I would light a fire in the rain  
But the kids would tie me up with knots they know  
Then ask me for a badge!

When I'm cooking, yes I know I'm gonna to have  
I'm gonna have a bucket of water next to me.  
When I'm cooking I wish it was an open fire  
Or in a cardboard box I've covered in tin foil.  
And did you know that half frozen chips are very nice  
And you can cook an egg inside an orange?  
And that hat hair is the height of high fashion  
And that olive and khaki are cool colours?

### **Chorus**

Da da da da... x2  
I've got a wardrobe full of stuff to use for crafts  
And I own little bits of every coloured felt.  
When I see a fire, I just burst into song

And raise my hand to silence meetings at work.

When I go out, even if it's into town, I take a map and compass 'cos you never know

When I come home you'll be very pleased to know, I know loads of meals to cook in just one pot.

Yes I know loads of meals to cook in just one pot

**Chorus**

Da da da da... x4 then **Chorus**
