The Activity Centres Management Board and the District Trustees have agreed to make some changes to the pricing structure for the use of both Littleddale and SilverHelme Activity Centres.

The new prices aim to promote both multi-night camps and also the use of the Lodge accommodation.

The changes include:

- Price increase for camping, with a smaller increase for second & subsequent night camps.
- Lodge prices remain the same with an extra incentive for smaller groups to use the Lodges.
- Introduction of non-permit “Premium Activities” to further encourage the use of the sites for day & evening visits.
- The District Trustees decided to keep day & evening visits by Lonsdale Scout Groups as a FREE event.
