### APPLICATIONS FOR GRANTS FROM THE SHARPE BEQUEST

Applications are invited for grants from the Sharpe Bequest. The application form is available on the District website (together with some additional notes) - use the link given below. I would point-out that the money available this year will be very limited; the Finance sub-Committee will look at each application very carefully so as to target grants in the most appropriate direction(s). Grants will be made in consultation with the District Commissioner.

In the current circumstances: in conjunction with the published priorities (see additional notes), we will focus on assisting with the purchase of essential capital equipment.

Completed application forms (together with the requested documentation) should be sent to me by 30 June 2021.

If you have any questions, or require any assistance, please contact me in the first instance.

Tony Andrews  
District Chair
